On February 8, 2019, this case was transferred from the docket of Honorable Danny C. Reeves, United States District Judge, to the docket of the Honorable Alia Moses, United States District Judge.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
1.	Mandatory Condition No. 2: The defendant shall not unlawfully possess a controlled substance.
2.	Mandatory Condition No. 3: The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release on probation or supervised release and at least two periodic drug tests thereafter (as determined by the court) for use of a controlled substance, but the condition stated in this paragraph may be ameliorated or suspended by the court if the defendant's presentence report or other reliable sentencing information indicates low risk of future substance abuse by the defendant.

3. **Standard Condition No. 7: The defendant shall refrain from excessive use of alcohol and shall not purchase, possess, use, distribute, or administer any controlled substance or any paraphernalia related to any controlled substances, except as prescribed by a physician.**

On January 22, 2019, the offender submitted a urine specimen which subsequently tested positive for opiates. On January 30, 2019, the probation officer questioned offender about her positive drug screen. The offender stated she was feeling pain because of a recent tooth extraction and took her aunt's prescription Tylenol 3, a Schedule III controlled substance. The offender signed an admission form for her drug use.

4. **Mandatory Condition No. 1: The defendant shall not commit another federal, state, or local crime during the term of supervision.**

5. **Standard Condition No. 9: The defendant shall not associate with any persons engaged in criminal activity and shall not associate with any person convicted of a felony, unless granted permission to do so by the probation officer.**

On or about March 11, 2021, in the Western District of Texas, the offender did then and there commit the offense of False Statement or Representation Made to an Agency or Department of the United States, in violation of Title 18 U.S.C. § 1001(a)(2), a Class E Felony. The offender is currently pending filing of charges in the matter under Docket No. DR-21-CR-00587.

According to the sealed Indictment, the offender did knowingly and willfully make and cause to be made materially false, fictitious, and fraudulent statements and representations to the United States Deputy Marshals. The offender stated she did not have any contact with a certain fugitive for the last three months, knowing such statements and representations to be false in order to prevent United States Deputy Marshals from apprehending the fugitive.

U.S. Probation Officer Recommendation: On June 29, 2018, Ms. Salazar began her term of supervised release, which is scheduled to expire on June 28, 2021. Ms. Salazar is a Criminal History Category I offender, with no other criminal convictions aside from the instant offense and the pending charges against her. In consideration of the above violations, it is respectfully recommended that a warrant be issued for Ms. Salazar and her term of supervised release be revoked. This issue is deferred to the Court for ruling.

The term of supervision should be

☒ **revoked.** (Maximum penalty: 2 years imprisonment; 3 years supervised release; and payment of any unsatisfied monetary sanction previously imposed)
